DENALI wood-look porcelain

\$4.95 SF

Grigio 6"x36"

Rovere 6"x36"

Ebano 6"x36"

Olive 6"x36"

DESCRIPTION

Give your favorite space a vintage feel and natural look with our Denali series.

It comes in a large 6x36 format that is reminiscent of stained oak.

While natural oak is very strong, it cannot compare to the physical attributes of porcelain.

Enjoy affordable luxury in all high traffic areas, including commercial applications, with this durable, low maintenance tile.

DIGI-WOOD (Italian inkjet) wood-look porcelain

\$ 5.75 SF

Bianco 6"x24"

Noce 6"x24"

Teak 6"x24"

Nero 6"x24"

DESCRIPTION

Digi-wood is produced using the most advanced HD technology available. The superior makeup of this material is obvious to the eye and touch as it arouses a powerful emotional response that makes hardwood flooring so appealing. What is not so obvious is that Digi-wood is environmentally friendly, easy to install and clean and is suitable for any application.

DESCRIPTION

Slimtech is the solution that offers sheets of stoneware in record sizes (300cm x 100cm) due to extraordinary lightness resulting from a thickness of only 3mm. It's the result of a laminating and porcelain compacting technology that has revolutionized the traditional productive process and as a result a completely new, resistive, light, flexible, pliable and versatile product is obtained. LEA SLIMTECH fully satisfies the most up-to-date needs for modern planning for both internal and for expansive external areas of modern buildings. It is easy to install and fix, better than any other material, renewal problems offering aesthetic results combined with a total contained cost.
